Innovative cocktail & dosing
solutions

TenderOne PRO

Fully automated cocktail perfection

- ✓ Fresh, milliliter-precise cocktails (16-40 ingredients).
- ✓ 100+ recipes & custom creations.
- ✓ Compatible with liqueurs, premium spirits & juices.
- ✓ Expandable with prosecco, water & soda modules.

TenderOne cocktailmachine

Cocktails & Mocktails & Shots

Spritzen & Sangria

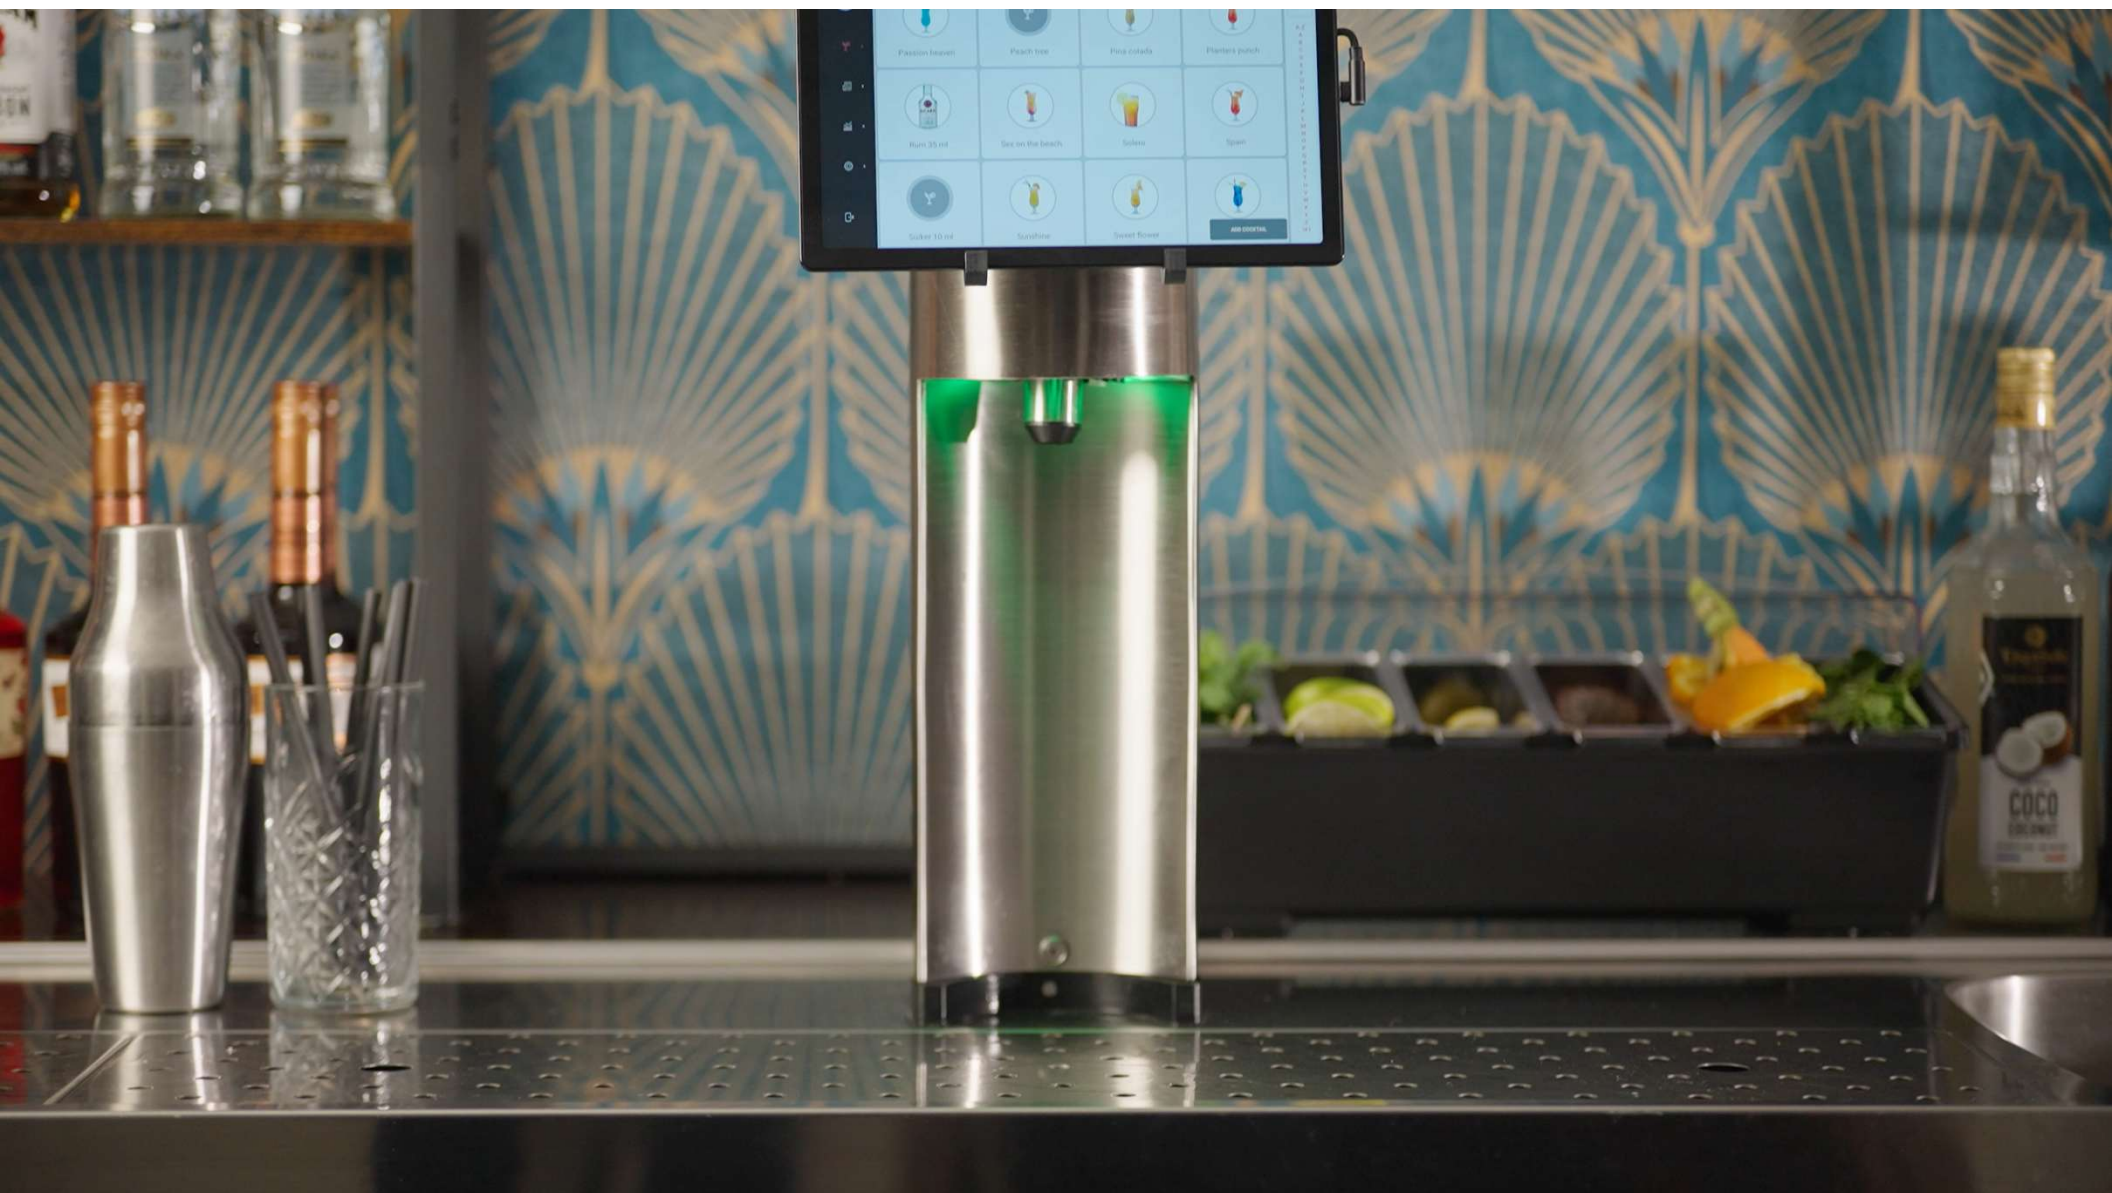

Homemade lemonades

The most fun shower head

- ✓ Up to 30 lines with individual outlets
- ✓ No Flavor mixing
- ✓ Easy cleaning by filling the nozzle cap with water and letting it soak overnight

TENDERONE pro

MODULE CONCEPT

Key benefits

- **Maximum profit** – Thanks to perfect dosing and minimal waste.
- **Fast return on investment** – Profitable from just 30 cocktails per week.
- **Ultra-fast service** – Perfectly dosed cocktails in just a few seconds.
- **More workspace** – Bottles stored remotely; no stock needed on or behind the bar.
- **Fresh ingredients** – No premix; only the best spirits and pure flavors.
- **German top quality** – Manufactured in Germany, assembled in the Netherlands.
- **Smart data & updates** – Insights into sales, top performers, and automatic updates.
- **24/7 service & support** – Phone assistance, software updates, and cleaning support.

TenderOne Wineflow

Stylish tap head that dispenses perfectly measured wine at the touch of a button.

Benefits

- Best price-quality ratio
- Efficiency behind the bar
- No waste & perfect hygiene
- Insights into data
- Consistency
- Cost savings
- Less storage space needed
- Compact waste stream
- Reduced CO2 emissions

Pure ingredients

Only pure products in our Bag-in-Boxes.

- Alcoholic beverages
- Fruit juices
- Purees
- Syrups
- Liqueurs

B.I.B. Connection overview

Bag-in-Boxes (B.I.B.) can be placed under the bar, in the cellar, or across locations.

For 5 products, a cooler is required — existing bar coolers are used when possible, otherwise, a new one can be installed.

Cooler not included, but full setup support provided.
